### A Light in the Darkness

"Why Korea?" is a question we are often asked. In the picture on the right we see **a satellite view of North and South Korea**. The physical darkness of North Korea is mirrored by their spiritual darkness. This is also true of most other countries around South Korea. Whether the governments are oppressive toward Christians or just indifferent, the culture modern or primitive, they all share in common a spiritual darkness. South Korea is a place of great openness to the gospel and a rich spiritual harvest. We feel burdened to join the team of Word of Life who are working in the harvest field of God's church there, teaching, training and equipping the family of God to reach the lost of their own culture and all of Asia.

Campers at one of several summer camps in Korea (left) have fun and also hear about the gospel. 37 decisions for God were made!

### "For Sale..."

Soon we will have these words on a sign in our front yard and on many of our possessions. We are preparing our hearts to say good-bye to Louisville. In the last two months we have found it increasingly difficult to juggle life with Jeremy's full-time job, a new baby, a toddler, a mortgage, and building a support team to go on the mission field. Currently we are at 10% of our financial goal of \$5700 monthly. In order to actively grow this amount and reach our goal of being in Korea **Summer 2015** we must have the freedom to travel and meet with people, sharing our vision. God has provided us with family who can give us a place to live. We are ready to lay aside the burden of "stuff" and run hard toward the goals God has set before us!

- We need to sell our house quickly and for our asking price so we can use the profit to gain freedom from debt.
- We need to quickly sort and organize our things into "keep and store" and "sell or give away".
- Pray for our team in Korea as they transition to national leadership.
- Paul is three months old now and still has a very needy personality. Pray for the transition to two children to continue to get easier.

Welcome to our family, Paul Michael Rodgers!
